I saw her sitting on a window ledge. She was smiling down at me.
She didn't look like anyone I knew or anyone I'd ever seen
There seemed to be a glow about her. You can't imagine my surprise
When she looked down at me. She looked into my eyes

A

I didn't know she was an angel.

I didn't know she was an angel.

Until she flew just like a dove

She was setting three stories up. It didn't seem like she would jump
I didn't know just what I should do. The situation had me stumped.
So, I gave her a sheepish wave. I didn't want to push my luck.
That moment really changed my life before that day I had no luck.

I didn't know she was an angel. I didn't know that she could fly

I didn't know she was an angel. Until she spread her wings to fly

She flew down and took me by the hand. We took a long walk in the park.
We talked a lot about the things I'd done. And how I seemed in the dark.
Then it came time to leave. She left me with a place to start.
When I think about that day. That's when my faith had lit a spark.
